

Donations

The Washington Animal Shelter is always in need for donations. We receive hundreds of animals each year that need food and medical care. Any help with the following is greatly appreciated.

- ◆ Dog/Puppy Food
- ◆ Cat/Kitten Food
- ◆ Cat Litter
- ◆ Any Cleaning Supplies
- ◆ Blankets/Towels/Bedding

The animal shelter dog park was built to allow shelter dogs to have a place to run and exercise. Staff and volunteers can utilize this space to play with shelter pets!

Friends for Animals

Friends for Animals is a non-profit group that the City of Washington works with closely. They assist with medical care for shelter animals and provide transports for hundreds of animals that go to new homes from the shelter. They also assist the community with getting pets spayed and neutered. If any additional information is needed about getting assistance from Friends for Animals, please contact Washington Animal Control.
