PUBLIC NOTICE

RE: Coronavirus (COVID-19)

As the City of Washington continues to monitor the COVID-19 virus, it is important that we take precautions to protect the health and safety of our citizens and employees. Therefore, access will be limited to many of the City of Washington locations. If you need to conduct business with the City, please call that specific department to make an appointment or to see if it can be conducted over the phone.

Washington Municipal Utility lobby locations (City Hall and Eastside) will be closed until April 6, 2020. Customers are asked to make payments by using the drop box locations, the drive-through at the Eastside location and credit card payments by phone or online. If you are needing to connect utilities, please call 812-254-2730 to make an appointment. Please direct all utility questions to the Collection Office at 812-254-2730.

We will keep the community informed of any changes or decisions that are made.

If you have specific questions regarding COVID-19, please call the Indiana State Department of Health's hotline at 31-233-7125 or visit www.in.gov/coronavirus.
