

Washington Light and Power

Washington, Indiana

Now Hiring – Entry-Level Lineman Position

Washington Light and Power is currently accepting applications for an **Entry-Level Lineman position**.

This position is ideal for individuals interested in starting a career in the electric utility industry. **One to two years of related experience is preferred** but not required. We are seeking candidates who demonstrate a **positive attitude, strong work ethic, and a strong commitment to safety**.

Duties and Responsibilities include, but are not limited to:

- Assisting line crews with the construction, maintenance, and repair of overhead and underground electric distribution systems
- Operating tools and equipment related to line work
- Following all safety rules, procedures, and regulations
- Performing work during emergency conditions, including storms and outages

Minimum Requirements:

- High school diploma or equivalent
- Ability to obtain and maintain a **Commercial Driver's License (CDL)**; a CDL is preferred at time of hire
- Ability to work **on-call**, nights, weekends, holidays, and during emergency situations
- Ability to perform **physically demanding work**, including climbing poles, working at heights, lifting heavy equipment, and working in all weather conditions
- Willingness to complete required training and participate in an apprenticeship or progression program

Training will be provided, and opportunities for advancement may be available for motivated individuals.

Interested applicants may obtain an application by **contacting Debbie at the Mayor's Office 200 Harned Avenue Washington, IN 47501**
